

Stranded GPT Marine Hook Up Wire from Remington Industries is ideal for use in a variety of marine power circuit and control applications. The multi conductor wire is made from tinned copper that offers excellent electrical connectivity, and the PVC insulation protects the wire against abrasion, chemicals, oils, fuels, and solvents. This GPTM wire conforms to UL and SAE J1128 specifications, as well as USCG requirements, and provides excellent uniformity for easy processing, stripping, and terminating. This hook up wire is available in three wire gauges (14, 16, & 18 AWG) to meet your specific requirements. It is also available in a variety of colors (see below) to allow for easy circuit identification, as well as numerous spool sizes (see below) for your convenience.

- Conductor Material: Tinned Copper
- Insulation Material: PVC
- Type: UL1426 GPTM Hook Up Wire, Stranded
- Voltage Rating: 60 V
- Temperature Rating: 80°C (176°F) Wet / 100°C (212°F) Dry
- Colors Available: Black, Blue, Brown, Gray, Green, Orange, Red, Violet, White, Yellow
- Spool Sizes Available: 25 ft, 100 ft, 250 ft, 500 ft, 1000 ft, 2500 ft, 5000 ft
- Also available in pre-built kits (6 or 10 different colors / 25 ft or 100 ft per spool)

PART NUMBER	WIRE GAUGE	STRANDING	WIRE DIAMETER	OVERALL DIAMETER
14STRUL1426	14 AWG	19/27	0.0641"	0.117"
16STRUL1426	16 AWG	19/29	0.0508"	0.103"
18STRUL1426	18 AWG	16/30	0.0403"	0.092"

## GPT Marine Hook Up Wire Stranded Data Sheet

### Remington Industries is proud to offer our Custom Wire Services

Our exclusive inventory of in-stock wire and ability to procure wire of all kinds makes us the perfect partner for wire purchasing and custom wire services. We are proud to provide essential, high quality wire for engineering projects, educational science projects, coil winding, and electronics applications.

Some of our many wire services include the following:

- Wire Re-Packaging
- Bifilar & Trifilar Windings
- Wire Processing
- Coil Winding
- Wire Procurement Services

If you have any questions or need any information about our [Wire Services](#), feel free to contact us! It only takes one call to get experienced assistance.
