## Declaration of Conformity to EU RoHS

Products listed below that are manufactured by Remington Industries are in compliance with Directive 2015/863/EU of the European Parliament and of the Council of 31 March 2015 on the restriction of the use of certain hazardous substances in electrical and electronic equipment. In addition, this declaration of conformity is issued under the sole responsibility of Remington Industries. Specifically, products manufactured do not contain the substances listed in the table below in concentrations greater than the listed maximum value.

| Substance                              | Maximum Limit (ppm) |
|--|---------------------|
| Lead (Pb)                              | 1000                |
| Cadmium (Cd)                           | 100                 |
| Mercury (Hg)                           | 1000                |
| Hexavalent Chromium (Cr6+)             | 1000                |
| Poly Brominated Biphenyls (PBB)        | 1000                |
| Poly Brominated Diphenyl ethers (PBDE) | 1000                |
| Bis(2-ethylhexyl) Phthalate (DEHP)     | 1000                |
| Butyl Benzyl Phthalate (BBP)           | 1000                |
| Dibutyl Phthalate (DBP)                | 1000                |
| Diisobutyl Phthalate (DIBP)            | 1000                |

### Key for Determining Adherence to 2015/863/EU Content Criteria <sup>1</sup>

= Meets criteria at the homogeneous level       = Does not meet criteria at homogeneous level

✓ = Meets criteria with reliance on 2002/95/EC Annex 1 exemptions

| Remington Industries Product P/N <sup>2</sup> | Restricted Material and MCV         |                                     |                                     |                                     |                                     |                                     |                                     |                                     |                                     |                                     | Compliance Version |                |

- Maximum Concentration Values per 2015/863/EU
- The *italicized* letters in the part number(s) are placeholder values as indicated below:
  - *XX* two digits denoting the wire gauge
  - *LLLL* two to four digits denoting the wire length (in feet)
 Example: 20N8025 (20 AWG Nichrome 80 Wire, 25 Feet)
