

Stranded UL1061 wire is perfect for use inside of computers, control panels, and office equipment, as well as any other general electronics applications requiring 300V and 80°C ratings. Tinned copper wires provide good electrical connectivity, and the semi-rigid PVC jacket protects the wire against abrasion, chemicals, oils, and solvents, all while providing a thinner overall diameter compared to other 300V hook up wires. The wire conforms to UL specifications and provides excellent uniformity for easy processing, stripping, and terminating. This hook up wire is available in several wire gauges (from 16 to 28 AWG) to meet your specific requirements. It is also available in a variety of colors (see below) to allow for easy circuit identification, as well as numerous spool sizes (see below) for your convenience.

- Conductor Material: Tinned Copper
- Insulation Material: Semi-Rigid PVC (0.010" Thick)
- Type: UL1061 Hook Up Wire, Stranded
- Approvals and Specifications Met:
  - UL Style 1061
  - CSA AWM 1 A/B
  - Passes UL VW-1 and CSA FT-1 Flame Tests
- Voltage Rating: 300 V
- Temperature Rating: 80°C (176°F)
- Colors Available: Black, Blue, Brown, Gray, Green, Orange, Red, Violet, White, Yellow
- Spool Sizes Available: 25 ft, 100 ft, 250 ft, 500 ft, 1000 ft, 2500 ft, 5000 ft
- Also available in pre-built kits (6 or 10 different colors / 25 ft or 100 ft per spool)

## UL1061 Hook Up Wire Stranded Data Sheet

### Remington Industries is proud to offer our Custom Wire Services

Our exclusive inventory of in-stock wire and ability to procure wire of all kinds makes us the perfect partner for wire purchasing and custom wire services. We are proud to provide essential, high quality wire for engineering projects, educational science projects, coil winding, and electronics applications.

Some of our many wire services include the following:

- Wire Re-Packaging
- Bifilar & Trifilar Windings
- Wire Processing
- Coil Winding
- Wire Procurement Services

If you have any questions or need any information about our [Wire Services](#), feel free to contact us! It only takes one call to get experienced assistance.
